

MARTYN'S LAW • THE 5 THINGS YOU ACTUALLY NEED TO KNOW

Martyn's Law Live.

 HOUSEKEEPING

This is a **live session which will be recorded**. All attendees are on listener-only mode. Please drop any questions in the **Q&A box only** and we'll answer them at the end.

Five things in thirty minutes.

01

Standard Tier vs Enhanced Tier

The practical difference. What actually changes.

02

The four emergency procedures

Evacuate. Invacuate. Lockdown. Communicate.

03

The Responsible Person

Who is on the hook. And what that means.

04

The timeline

Why waiting is a mistake.

05

How technology helps

Where Archangel fits.

01 SECTION ONE

Standard Tier vs Enhanced Tier.

The practical difference, in plain English.

02

SECTION TWO

The four procedures.

Every venue. Every shift. Every member of staff.

03

SECTION THREE

Who is on the hook?

The Responsible Person. And what that name really means.

04

SECTION FOUR

The timeline.

Why "we'll get to it" is the wrong answer.

Where Archangel fits.

The law creates a documented compliance requirement. Here's how AI helps you meet it.
